ABOUT THAT CHECK.

It's Rather Risky to "Identify" a Man That Can't Be Found.

The Ledger has already received the particulars attending a forged check bearing the name of G. W. Stammer of Vanceburg for \$300, and on which the State National Bank of this city paid \$200 to a fellow representing himself as "J. D. Arthur," and who was identified by Mr. Edward Nash, a merchant.

Mr. Nash claims that he acted in perfect good faith, believing the man to be J. D. Arthur; but he is now unable to locate him.

When sent to explain matters, Mr. Stammer came to the city, and subsequently he was put under arrest, charged with "conspiring to obtain money under false pretenses."

He gave bond for his appearance, with Messrs. Jacob D. Nash and J. Wesley Lee as sureties, and the hearing will take place before Judge Wade on Tuesday of next week.

Mr. Simon Hornback, aged 24, and Miss Leslie McNut, aged 17, both of Mayfield, were married in this city Saturday.

KNIGHTS TEMPLAR

Louisville Rapidly Filling With Plumed Guests in Attendance at the Triennial Conclave.

IMPOSING RELIGIOUS EXERCISES HELD

Form of Service Was Prepared by Sir Knight Rt. Rev. Thos. U. Dudley, Episcopal Bishop of Kentucky.

Special Musical Programme Followed by Prayers, the Gloria and Te Deum Laudamus and Reading of Bible Passages.

Louisville, Ky., Aug. 26.—Commanders of Knights Templars are pouring into Louisville from the four corners of the United States. The city is rapidly filling with its plumed guests, although the triennial conclave proper does not begin until the grand parades start Tuesday morning.

Impressing religious exercises were held Sunday afternoon. At 1 p.m. the knights assembled at their various commanderies, and at 2 o'clock marched to the Galt house, where the general formation was made for the service. The service began at 3 p.m., when the services were held at 3 p.m. The column was led by the templars of DeMolay and Louisville commanderies, and the entire body:

TURKEY'S BACK-DOWN.

French Papers Hull the Sultan's Yielding as a Great Triumph for France.

London, Aug. 26.—Although the French papers hull Turkey's yielding as a great triumph for France, more especially as it was largely believed that the sultan's only enemy was the supposed friend between Germany and Turkey, it is felt in London, despite considerable satisfaction over the outcome, that there is a grave doubt as to whether France has achieved more than a paper victory.

The British theory is that M. Constantine had wished to force Turkey to purchase quays which are notoriously unremunerative. The sultan has avoided this, thus securing the practical results, while leaving to M. Constantine the empty congratulations.

THROWN FROM THE TRACK.

Limited Train on the Seaboard Air Line Wrecked—Fireman Killed and Others Injured.

Columbia, S. C., Aug. 26.—The Florida and Metropolitan limited train of the Seaboard Air line was wrecked seven miles south of Cheraw by a sand bank washing out. The killed and injured are: Fireman Rosemond, crushed to death; Engineer Muse, severely and left injured; Tom Cleaves, another fireman, injured; and Conductor and telegrapher, postal clerk, unknown, slightly bruised. The passengers emerged with a severe shaking up. The engine and four front cars left the track and were turned completely over. The engine was a mass of debris. The tender was thrown 5 yards away. The train was torn for 150 yards, and every car was off the track.

BURNED BY MOB.

Small Grocery Store and Dwelling Occupied by Miles Brooks, Colored.

Birmingham, Ala., Aug. 26.—A small grocery store and dwelling at Thompson Springs, eight miles from Birmingham, was burned by Miles Brooks a Negro, who was arrested on Sunday morning. Brooks is alleged to have written an improper letter to Mrs. Cutcliff, white woman, who had occasionally patronized his store. Daniel Cutcliff, the woman's husband, searched for the Negro for two days. The store and dwelling were both closed during this time. Sunday a crowd of men who had joined in the search burned the dwelling and store. Twenty shots were fired into the building, but the Negro had left the house and no one hurt.

IN CAPE COLONY.

Sharp Skirmishing Between British and Boers Took Place Near Uniondale.

London, Aug. 26.—South African dispatches show that the Boers continue active in Cape Colony. Sharp skirmishing has occurred near Uniondale, only a day's ride from the sea, while Commandant Schepper's command post of Oudtshoorn, thirty miles from the Indian ocean. Washington, Aug. 25.—A dispute at the general land office reports that the total receipts from the sale of lots in the new town in Oklahoma, to and including August 23, aggregated \$650,427.

The sales were for \$531,805; Amarillo, 1,041 lots for \$174,877.

Assistant Commissioner Eberhard, who has had general charge of the sales, estimates that the disposition of the remaining lots will bring the grand total up to \$700,000.

TIRED OF WAR.

Cul. Lorrel, With 17 Officers and 13 Men, Surrendered to the American Forces.

Manila, Aug. 25.—In the city of Manila there are 1,000,000 men, 1,000,000 effective soldiers, and there has been decided to increase this number by four companies of infantry. The official reason for the increase is that the guard duty is too heavy for the present force. As a matter of fact, however, there is a feeling that although the present force is sufficient for the work, nevertheless in the event of an uprising in the future, such as is always possible among the Malays, it would be better to have a sufficient body of troops available.

Hartman, who appeared and made a speech to the crowd, was compelled to them to assist him in ablaying excitement and upholding the majesty of the law. This appeal was supplemented by Judge J. J. Lynch, Capt. W. P. Tolley, Jesse M. Littleton, Foster Hansey and others.
